

# ICT Outbound

Artist: Martha Wherry

Artwork: Rhythm Fields, Turquoise Sky

Author: Julie Ann Baker Brin

Acknowledgments: Gallery XII & Z Publishing

From this altitude, the earth,  
a cross-section of my body:  
every river a vein,  
every stream a capillary,  
every plot of land a muscle,  
or maybe fat.

And I can see  
the way a continent can  
fit right up next to another,  
like my elbow  
loves the curve of my waist  
when I stand straight.
